North Texas Region Tryout and Recruiting Policy

According to the North Texas Region, clubs are not to have more than one (1) verbal or written contact with a junior athlete while their school volleyball season is still in session. Therefore, please do not be discouraged if you have not been contacted by Skyline Juniors.

If you are pressured by another club to make a decision or you believe your school team will be in playoffs during our tryout dates, please contact us to express your interest in Skyline so that we may have the opportunity to watch one of your matches or practices.

October Skills Clinics

In response to numerous requests, we will offer three (3) Skills Clinics during the month of October. The purpose for these clinics will be to provide athletes with repetitions and instruction in order to be better prepared for the club volleyball tryout circuit. These clinics are open to all junior athletes, are only \$10 per athlete, and no pre-registration is required.

In our 2003-2004 season, Skyline Juniors accomplished the following...

- 18's - North Texas Regional Championship Runner-up
 - Finished 3rd at Junior Olympic Nationals
 - 3 All-Tourn. Players at 2004 J.O. Nat'l's

Join in on a Quality Experience

Skyline Juniors Volleyball

Skyline Juniors Volleyball Association is a non-profit organization dedicated to the development and training of Junior Olympic athletes. We seek to compete competitively on a national level and to do so, we will go the extra mile to develop and showcase our young athletes. We will constantly strive to enable both our players and our coaches to reach their full potential.

Our Core Values

- ? Train young athletes to excel at higher levels of competition
- ? Integrate coaching strategies (offense/defense) so that players can take what they have learned in the past and apply it to the following year(s)
- ? Limit the number of teams we carry, so they do not exceed the number of quality coaches we have
- ? Sustain a coaching philosophy throughout the club based on Positive Reinforcement, Encouragement, and Motivation
- ? Advise and mentor our athletes to timely and effectively market themselves to college coaches

Teams

Due to our commitment to quality, our plans are to remain the same size and carry only 10 teams again this year. The age groups will include 13's, 14's, 15's, 16's, 17's, and 18's.

Information Meeting

Sunday, October 17, at 6:00p.m. at the Embassy Suites Park Central, we will host a meeting for all players and parents interested in Skyline Juniors. We will break down the cost of your dues, explain our philosophies, and introduce our coaching staff. This is a great opportunity for you to get to know us, ask your favorite questions, and for us to share with you our hopes and goals for the 2004-2005 club volleyball season.

Practice Locations

WEDNESDAYS	TUES or THURS	SUNDAYS
Greenhill School	Brookhaven	UT Dallas

Coaches

Skyline Juniors is going into its sixth year stronger and more determined to lead our region in volleyball. Our staff is what makes this possible. As we head into the 2004-2005 season, nine (9) of our twenty-eight (28) coaches have had collegiate coaching experience, six (6) of which have had head coaching experience at the college level, and twenty-two (22) of our coaches have played at the collegiate level. In addition, each team will have an assistant coach, and all of the teams will share several roamer coaches. Our coaches are selected based on their knowledge of the game, temperament, and most importantly, their coaching and leadership capabilities.
