

Food & Toiletries Drive
Support For American Soldiers
March 15 – April 15, 2008

We have been working with an OIF/OEF Representative from the Dallas Veterans Hospital. He works with veterans in order to help them get back on their feet when they return home from combat. It takes six months for these soldiers to receive their disability checks, and these families are struggling to get by. Your help in donating food, toiletries, clothing, and/or financial assistance for the two families listed below will be a huge blessing to these veterans and their children.

We will be collecting items for the next month so please feel free to bring any and all donations to Skyline practices on Tuesday & Wednesday nights and give to:

Dave Brown: 214-662-1056(child on 13 RoShamBo)

Carol Joyce: 214-770-3844.....(child on 13 RoShamBo)

Anne Peters: 214-557-5519.....(child on 14RosShamBo)

(We are happy to pick up items on other nights of the week as well...just give us a call)!
