 - 1-2 minutes after designated tryout time - Together as a group, Arm Warm-ups
 - 15-20 minutes after designated tryout time – Parent's Meeting and Question / Answer session
-

SELECTION PROCESS

- ✓ Attendance at all tryouts is recommended, but not mandatory. After the first tryout, if you do not attend the next tryout(s), we will assume that you are not interested unless you have notified us and keep us informed that you are still interested in Skyline.
- ✓ Offers may be made to participants at any time after tryouts conclude or in the days following.
- ✓ Final offers may be given up to a few days after the last tryout date.
- ✓ Once all positions have been filled, we will post each team's roster on the website. We anticipate this will be a few days after the last tryout date. If you are getting pressured by others to make a decision but your first choice is to play with Skyline, then we urge you to contact us via email at jodie@skylinejuniors.com or by phone at 972-675-1448. We will try our best to tell you where your daughter stands so you can make an informed decision.
- ✓ A position will not be held until we have received the first installment **and** you have signed the Region Offer and Acceptance Agreement. Please understand that we need to fill our teams as quickly as possible after the second tryout. Therefore, if you are still going through tryouts with another club please be honest with us in what your plans are, so that we can plan accordingly.
- ✓ If your high school team is still in playoffs, then as a courtesy to high school coaches the North Texas Region has asked club programs to not require tryout attendance. Skyline will allow an athlete to tryout, however, provided they have a written note from their high school coach. If the athlete doesn't have a note, we nevertheless encourage him or her to attend tryouts, fill out the paper work, and assist the coaches in running tryouts.

Thank you and we look forward to meeting you.
