We will reduce/refund the fees for coaching, tournament expenses, and performance training per these dates: Dec 1 shutdown 100% deducted, Jan 1 shutdown 80% deduction, Feb 1 shutdown 60% deduction, Mar 1 shutdown 40% deduction, Apr 1 shutdown 20% deduction.

In an effort to minimize the collection hassles as well as ensuring precisely what this year's dues will be, we have included most expenses for the players in their dues amounts. Please notice, **we have not included Airfare & Hotels for the players** into their dues (we have included coaches air travel and hotels). We will provide an Airline Package in October for the Skyline athletes. We are providing this airline packages and encourage all athletes to travel under the arrangements of the club to ensure the arrival of the team as a whole; however, those that need to use alternative arrangements for flights may opt out of the airline package. Additional fees may occur due to circumstances out of our control such as airline cancellations, inclement weather situations, or if a team misses a flight for any reason (i.e. such as a match for qualifying at a tournament or playing in the finals). **Nationals are included for the 18 Royal & 18 Black teams. This includes an additional two months of training, additional tournaments, four days of National Competition and Nationals fees. If one of the teams does not qualify for USAV Girls Junior National Championships, then we will reduce the April 1 payment.**
