In an effort to minimize the collection hassles as well as ensuring precisely what this year's dues will be, we have included most expenses for the players in their dues amounts. **Please notice, we have not included Airfare & Hotels for the players into their dues** (we have included coaches air travel and hotels). **Post Season is included in 14 and older Royal & Black teams only. This includes an additional two months of training, additional tournaments, four days of National Competition and Nationals fees.
