In an effort to minimize the collection hassles as well as ensuring precisely what this year's dues will be, we have included most expenses for the players in their dues amounts. **Please notice, we have not included Airfare & Hotels for the players into their dues** (we have included coaches air travel and hotels). **Post Season is included in 14 and older Royal & Black teams only.** This includes an additional two months of training, additional tournaments, four days of National Competition and Nationals fees. If the 14 and Older Royal or Black team does not qualify for USAV Girls Junior National Championships, then the team will complete in AAU Junior National Championships in June.
